

VeNUS TILES PROMOTIONAL FEATURE

VENUS TILES always provides a wide range of products representing art and creativity through creations to answer the needs of imagination and uniqueness of a room. This challenge is all shown through its modern, stylish, unique, and fashionable look—perfect to be installed in living areas, as well as to serve as masterpiece artworks. VeNUS TILES mission lies in giving inspirations to everyone to create something amazing; the products are lively, reflecting lifestyle, pride, and masterpiece in life. In the future, VeNUS TILES will continuously commit establishing collaboration(s) with designers from different walks of life, so that they can translate their

creativity into wonderful and stunning designs.

Artil[e]jogia is a merging word of art, tile, and logia. The exhibition talks about the art of tiles through the creations of Philip Lakeman, Graham Oldroyd and Artura whom express their passion in narration into space, and transform it into marvelous creation. What makes this exhibition special is that it shows various combinations between tiles and art objects, including statues, paintings, furniture, graphic arts, and also artistic videos.

The exhibition is open for public and free. Come and witness the real art of tile and enrich your knowledge about the aesthetic value of art installation. For further details, please call (+62 21) 720-7007 or visit www.venus-tiles.com.
